

Hello Osterville Men's Club Members,

I do hope this message finds you all well. We held our August 5th Executive Board of Directors and OMC Committee Chairmen meeting with ZOOM and the minutes are available for your review. We have decided that the September 2nd meeting will be a virtual meeting for all to take part. There will be more information coming in the next few weeks about how you can participate.

We hope everyone will join that meeting as, now more than ever, it is necessary to reaffirm our social connections. It will be great to attend our luncheons again, but until we can safely meet and be assured of our members welfare this is our best solution.

It is noteworthy to remember our Mission Statement "To promote sociability among its members and to support, by scholarship and otherwise, the educational and charitable objectives of selected individuals and organizations." Nothing in this statement has changed since the first meeting of the OMC on January 31, 1957. We all need to continue to support the objectives of this proud organization. That can be a simple phone call to a fellow member in need of support, driving for the Meals on Wheels or joining one of the golf events.

To that end your Osterville Men's Club continues to provide service and support to our community and events that can be held safely and within the current guidelines will go on.

The **Meals on Wheels** program, under Wes Harrington's direction, continues to provide a great service to folks who really need support. There have been changes in the organizations that support MOW and Wes has been working with them to allow our club to continue to provide drivers. If you would like to contribute your time to this important program please contact Wes directly at wesharrington3@gmail.com.

The **Miracle Kitchen**, under Ken Molloy's direction, is expected to start up again in the fall. Any OMC member under the age of 65 (due to Covid 19) is strongly encouraged to participate. Ken can be reached at kmacape@comcast.net.

Fall Golf Schedule Don Lee has worked hard to get six venues for the Fall Golf Tour. Don expects to have a full schedule and continues to work with the Pros at each course to assure we can have plans that meet the safety guidelines. We are looking for volunteers to step into Don's role for 2021 as Don will have completed his two-year commitment after this fall's program. It is an important Chairmanship as many of our new members come from our associations in golf. So please give this some thought and let Don or any of the Committee members know if you are interested.

My standard closing comment is, "As we continue to do our part by social distancing please reach out to others who may live alone or are struggling day to day during this difficult time. As we continue to keep our distance, we are finding more ways to stay together."

Wishing you all well,

Don MacDonald

President, Osterville Men's Club
